PASTOR JULIE BARGER

The new pastor to both Calvary and St. Paul Lutheran Churches!

We look forward to new beginnings and new outlooks as well as a continued relationship of compromise, sharing of resources and the combined power of both congregations for doing God's Work with Our Hands, in the world, our communities, our congregations and our lives.

New Worship Schedule

Yoking between St. Paul and Calvary Lutheran Churches is something new for all of us and will require attention to changes, patience, and a bit of flexibility. Thurs. July 19th – Stan Phelps presides – **6:30 pm** worship

Sun. July 22nd – Pastor Julie presides – **8:30 am** worship

Thurs. July 26th – Pastor Julie presides – **6:30 pm** worship w/communion

Pastor's Ponderings

As I type this newsletter article, I am in the midst of the boxes and bags of packing. I am concentrating on moving from Dubuque, Iowa to Two Rivers, Wisconsin. I am also thinking about you, my future congregation members of Calvary and St. Paul. I am wondering about who you are and how we will minister together. I am sure you have many questions about me as well. It is exciting and a little scary to be starting new for all of us! I have the utmost confidence and faith that this is where we are meant to be in ministry together. I am so looking forward to meeting you and getting to know you.

One of the things you'll notice very quickly is that I like to smile. It may seem like I never have any worries because I smile a lot, but I experience the same challenges that everyone else does. I smile because I have the joy of Christ in my heart and nothing can ever take away that joy. I feel genuinely blessed to live each day with its joys and challenges and I know nothing can ever separate me from the love of Jesus. That's worth smiling about!

Another thing that you will learn about me is that I love stories. I love reading stories in books certainly, but more importantly, I love to hear people's life stories. When some people hear the word "story," they think of something made up. But I view a life story as a journey that teaches us along the way. A life story gives me a perspective of life from the person telling the story that is valuable. It is a way for us to connect with one another and to see how God is working in our lives. I look forward to hearing about your life stories and also sharing mine with you. I am joyful thinking about the life stories we will share together as our lives intertwine in Christ.

Blessings,

Pastor Julie
